Summary

The video discusses Sportsman's Lodge, a new healthy oasis in the valley, and its rich history as a rustic escape for stars during the silver screen era. The lodge offers a variety of wellness offerings, such as IV hydration, physical therapy, chiropractic services, and a boutique grocer focused on healthy eating. The shops at Sportsman's Lodge aim to provide a connected and environmentally friendly shopping experience, taking advantage of the temperate climate in California. Next Health is a health optimization and longevity center that offers services like cryotherapy, IV therapy with custom formulations, and advanced medical services. Equinox provides tips on building lean muscle through their Coral Sculpt program, emphasizing balance and core engagement. Free People Movement offers a range of comfortable and performance workout clothing for those who lead active lifestyles.
